

Concerts at St. Paul's Romeo
Presents

The Southeast Michigan Flute Association Flute Choir!

Sunday, April 24
4:00 PM

The SEMFA Flute Choir will perform traditional and classical music under the direction of Melissa Kay-Grey. The SEMFA Choir is comprised of professional and flutists from throughout the Southeast Michigan and Northern Ohio regions. This special concert is a rare opportunity to hear an "orchestra of flutes" performed by one of the most renowned ensembles in Michigan.

What is a flute choir? It is an instrumental chamber ensemble consisting of range extensions of the flute family. Flute choirs extend the range of the group in addition of "melody" flutes including Alto Flutes, Bass Flutes, "C" Flutes and Piccolos.

This concert is presented as part of the Concerts at St. Paul's Music Series, Anne Decker-Beck Artistic Director. Free will donations of \$10.00 will be accepted in support of Community Outreach Programs at St. Paul's.
